Ministry of Minority Affairs, Govt. of India, New Delhi**

The Govt. of India has declared Nuh District as Minority Concentrated district during the year 2008-09. The Multi-sectoral Development Programme (MsDP) was conceived as a special initiative of the follow up action on the Sachar Committee recommendations. It is a centrally sponsored scheme approved by the Government in the beginning of 11th five year plan and launched in the year 2008-09 in 90 minority concentrated districts. It is an area development initiative to address the development deficits of minority concentration areas by creating socio-economic infrastructure and providing basic amenities.

The programme aims at improving the socio-economic conditions of minorities and providing basic amenities to them for improving the quality of life of the people and reducing imbalances in the identified minority concentration areas during the 12th Five Year Plan period. The projects to be taken up under MsDP would be related to the provision of better infrastructure for education, skill development, health, sanitation, pucca housing, roads, drinking water, besides schemes for creating income generating opportunities. The objective of the scheme would be to fill the gaps in the existing schemes of the Govt. of India by providing additional resources and to take up non-gap filling projects (innovative projects) for the welfare of the minorities.

This initiative will be a joint effort of the Centre and the States/UTs for inclusive growth accelerate development process and improve the quality of life of the people. The scheme aims at focused development programmes for backward minority concentration areas to help reduce imbalances and speed up development.

The restructured Programme has been implemented by the Ministry of Minority Affairs, GoI as “Pradhan Mantri Jan Vikas Karyakram(PMJVK)”.
